All fees, book fees, and the first month's tuition must be paid prior to entering school. The school operates primarily on a tuition basis. The 10 payments for annual tuition and fees are due on the first of each month and may incur an automatic twenty dollars (\$20.00) per week late fee if not paid by the fifteenth (15th) of the month. A processing fee of twenty-five (\$25.00) will be charged for all returned checks. If a student is withdrawn with an outstanding debt, either in tuition or child-care fees, the student's records on file with CCS will not be released to the transferring school until the account has been paid. This includes report cards and transcripts.
